### **Band Bio:**

QM has a strong reputation of putting on mind-blowing show after mind-blowing show. All of Quarter Monkey's members grew up in Spokane, WA. However, it wasn't until early 2007 that the band would officially take shape. They successfully released their first album Lucy to a thriving audience at a packed show at The Hop in Spokane in the fall of 2008. It was the summer of 2009 that Quarter Monkey ventured a three month West Coast tour. With a kick-off in Spokane, QM advanced down the coast playing shows in: Seattle, Eugene (Black Forest), LA (The Mint & Club Good Hurt), Arizona (Hollywood Alley), Colorado (little Caesar Hot & Ready Band Competition Winner), Montana and more. More recently, Quarter Monkey has performed on Clear Channel Radio (103.1 KCDA Local Lounge), and were featured live performers on KHQ (Channel 6 Local News Morning Show), in Spokane. Currently, QM has wrapped up the recording of their new full-length album, Got No Name, and will be traversing the Pacific Northwest to spread the love.

"The best part of a band like this is their stand alone sound. They are a testament to all of the influence and experience musicians gather along the way while still having the ability to sound original."
